

Canberra Caravan and Camping Hash invites you to come along on the first epic...

Caravan and Camping Convoy from Canberra past Cairns to Nash Hash 2019

Drive it, Tow it, Pitch it or Swag it!!

Join in any time as Footrot and Toesucker journey to Port Douglas with Mr Gibson their 21 foot caravan.

Where? Canberra, Peak Hill, somewhere, somewhere else,
1080 for Yeppoon hash, Cairns and Port Douglas.
Come for the whole trip or just bits of it.

Unless we find a good pub somewhere else. That could happen!
This is a wandering hash event!

Pop up hash trails on the way (maybe), safety and better parties in numbers.
Some camps will be free camps you may need to be self contained.
Regular newsletter updates from December to departure – just let Toez know you want to receive them or look on the Croc Nash Hash website.
We are also on Facebook and Instagram as Travelling Gibson with a picture of a caravan.

A rolling cavalcade of hashers turned loose on the road!
Like minded, fun loving hashers need only apply!

Exact leaving date to be decided.. register your interest however partial to:
